

BE THE CHANGE

you wish to see in the world

- Ghandi

AFRAM CAUCUS

The National African American Caucus stresses the importance of togetherness for the family and the community with emphasis to our collective economic strength. This caucus reminds us of our obligation to our past, present and the future, and the role we play in the community, society, and the world.

APALA CAUCUS

Asian Pacific American Labor Alliance focuses on elevating the voices from all angles of life and ground its efforts by the most impacted and vulnerable individuals. This caucus embraces the beauty of organizing in solidarity, "One Vision, One Union", to make a difference in the community we serve.

LAVENDER CAUCUS

SEIU-UHW's Lesbian/Gay/Bisexual/Transgender caucus facilitates open and respectful communication between the LGBT community and the labor movement through education, by increasing visibility and organizing against all discrimination based on sex, gender, gender identity, sexual orientation, perceived orientation, and/or marital status.
