

KP Workforce Committee

10:00am

July 23rd

All future healthcare jobs will demand that workers learn to adapt to new technology and be digitally fluent!

SEIU-UHW healthcare workers need your support.

At the next UHW KP Workforce Committee meeting—a new digital fluency training program will be previewed.

All committee members are invited and encouraged to preview this pilot program to assist our coworkers in utilizing technological innovations and prepare for Jobs of the Future.
