

My name is Ethan Ruskin and I am running for the SEIU-UHW Executive Committee seat representing Kaiser San Jose and Santa Clara Medical Centers. Since 2008 I have been a leader in our union, first as a bargaining team member when Health Educators first joined UHW, and currently as an Executive Board member representing the San Jose Medical Center. I have been a board member since 2014 and I look forward to the next challenge of representing Kaiser workers on the Executive Committee. As a leader I have been a part of bargaining for many regional issues as well as on the bargaining team for our National Agreement in 2015 and am currently on the bargaining team to help win a new National Agreement. I am currently the Representational Chair for the San Jose Medical Center Steward Council. I believe my experience makes me the best candidate for the Executive Committee.
