

Ann M Hoston

Hello,

My name is Ann Hoston and I'm running to be an Executive Board member for Kaiser Division. I've worked for Kaiser Permanente since October 2001 in SCH ICU, SJO ER Dept and majority of my years I've been here in the San Jose Call Center. I have been a Steward for the Call Center for almost 6 years and was San Jose's CS for a short time. I am currently the backup CIC for the Bargaining Team. I strongly support the protection of our wages, pension and retirement. I am the voice for those who don't have one and take my job as a Steward very serious.

My commitment to you is to work effectively with all the Executive Board Members, stay focused, be diligent and fight for all of you, if given the opportunity to represent you in San Jose. I wish to become a member of the Executive Board to ensure that every member gets to be informed on the Union's future and current plans to keep the contracts that give us the benefits we all deserve.

Please Vote for me Ann Hoston!
