

**SEIU -UHW Election Committee**  
**Report to SEIU-UHW Executive Board**  
May, 2012

The Election Committee conducted the elections for the vacant positions as of February 7, 2012.

The results of those elections have been posted on the website:  
[www.seiu-uhw.org/elections2012](http://www.seiu-uhw.org/elections2012).

The Finance Officer election for Kaiser is on hold in order to determine the best way to engage members in a division-wide vote.

The process was smoother this quarter as we implemented our recommendations from our first experience.

However, as we still have 35 vacancies (Hospital: 13; Homecare: 18; Nursing Homes: 2; Retirees -2) that remain open after two rounds of nominations so we are urging executive committee members from those areas and staff do the following:

- Accelerate leadership development activities in areas with chronic vacancies to encourage members to take on leadership roles
- Conduct an informational session in those steward councils and homecare counties on the roles and responsibilities of executive board members, and the nomination and election procedures.

Respectfully submitted:

**The SEIU-UHW Election Committee**
