Whereas, NUHW is putting the SEIU-UHW Kaiser Contract and our members' wages, benefits and job security at risk;

Whereas, SEIU-UHW Kaiser Division is the premier organization we have in our Union and where we hold a lot of strength, we cannot afford to lose the power we have united with our Kaiser Division Union sisters and brothers;

Whereas, Nursing Home Division, Home Care Division and Hospital Division members are committed to supporting the Kaiser Membership;

Be it resolved, that we are united with Kaiser Division members and are committed to participating in the field program of the Kaiser election and are committed to providing the resources to ensure an outstanding victory.
