

We Are Essential Digital Action

Let's flex our political muscle online and urge our governor to sign the Healthcare and Essential Workers Protection Act (SB275). Share a photo on Facebook, Instagram, and/or Twitter with this message:

"Our state and employers weren't ready for COVID-19, but now we have a chance to change that for the future. Sign #SB275 @GavinNewsom, so California and healthcare employers will be ready before the next emergency."
